To ensure that your child/children are able to catch up on material if they miss a class from time to time, we highly recommend that each family have a copy of the texts at home, even though you are free not to do so. The price for a set of all 3 Catechisms is only \$12.50 and will last your child for grades 2-8 of their Religious Education. There is no required text in Grade 1 since we are taking the program from various sources. You will be notified if there are any needed materials for the Grade 9 program. If you have more than one child in the program, you will be happy to know that the books can be reused, so there is no need to re-purchase new catechisms for each child. Please check off the catechism(s) you would like to order in the box(es) provided.
