

## Discipline Policy Agreement

I, \_\_\_\_\_, agree to abide by the discipline policy outlined below while in the Confirmation Process for 2008/2009. I will be asked to withdraw from the process for this year if I receive 2 verbal warnings for unacceptable behavior.

What is considered unacceptable behavior that warrants a verbal warning?

Vulgar language, **disrespect** to anyone else, including talking when leaders or others are talking, having a poor attitude about being at the sessions, destroying property, and not following directions.
