SEEING CHRIST CLEARLY

We start today looking through the portals of Jerusalem, seeing crowds of people, cheering and waving palm branches in the air. The whole atmosphere is one of joy, triumph, and celebration. We can get distracted or enthralled by the scene, and not see clearly the features of Jesus as he enters. But our readings from Isaiah and Paul's letter to the Philippians clarify his features for us. He is the Suffering Servant, meek and mute before his captors and persecutors; he is the very image of the unseen God, yet will not clutch at equality with God before he endures his final confrontation in humility. Isaiah and Paul help us "behold the Lamb of God" before we hear the story of his final and greatest confrontation. It is important that we see Christ clearly before we hear the account of his passion, for we—his Body through baptism, the church—now bear his face. We must, with him, enter into this time of trial so we can, also with him, enter into his final triumph.

Parishioers Please Read:

A letter from His Eminence Edward Cardinal Egan was sent to all parishes concerning a very serious matter before the State legislature. Gov. Spitzer has proposed a bill which would establish abortion as a "fundamental right" thereby allowing any non-physician to perform it. This proposal would also endanger the religious liberty of Catholic hospitals, social service agencies and schools. Please contact your State legislators about this proposed legislation "The Reproductive Health and Privacy Protection Act".
