## FROM THE PASTOR'S DESK:

Hello, I invite you to take an honest look at our world. Christ established the Kingdom but it is up to you and I to complete it! It is said that evil does not exist, there is no definitive wrong, what is wrong for you may be right for me, and many other fallacies of our modernist culture are espoused by the majority. I believe in the power and presence of God alive and working through His Church! Some have asked what is the Vatican II Renewal. It is seeing how we, you and I, can bring about the Kingdom of God for ourselves and for those we love. The "those we love" may be family, friends, neighbors who were once Catholic, but rarely, if ever attend Sunday Mass. "How to talk to them?", is hard! We need to find some ways, that is part of what the Renewal is about! Next weekend bring \$3 to Mass to get started. I hope and pray that this will be your best Lent ever. That on Easter, Our World may be changed to help the Kingdom of God be in our midst. More at next weekend's homily. In Christ,

## RELIGIOUS EDUCATION FORMATION:

"Rising very early before dawn, he left and went off to a deserted place, where he prayed." Mark 1:35 What an example for us! Where do we find the "deserted place" in our lives? Do we find it in our homes, our room, our workplace, our car, on the bus, at school? I have known people who sit in their car during their lunch break to have time for Centering Prayer. Could we schedule in some quiet time in our homes to center our lives on Jesus?

**OPEN YOUR HEART AND HOME to a German, French or Norwegian exchange student for the coming 2012-2013 school year.** Caring host families (with or without children) are needed to provide food, a bed and a loving home for the one or two semesters starting in late August. EMF students have medical insurance, spending money for their personal expenses and expect to share their host family's daily life including household responsibilities. They speak English, are well-screened and eager to experience life in America. Their stay here is sponsored and supervised by EMF (Educational Merit Foundation), a non-profit, educational exchange program. For more information on EMF students, please call Marie-Claude Dijoud now at 1-800-467-8363 or visit our web site at [www.emfusa.org](http://www.emfusa.org) These students are anxious to learn that a home has been found for them. Your contribution to this cause would be most appreciated. Please help us make their dream come true!
