**U.S. Mail vs. Email Membership**

U.S. Mail Membership is \$25 per year and includes the delivery of the monthly newsletter by first-class U.S. Mail. Email Membership is \$10 per year and includes an email each month with the URL of the newsletter online [e.g. <http://www.rc.net/washington/sdc/November-LSUC.pdf>]. This will be sent out as soon as the newsletter is finalized – up to a week before mail delivery. We will not email the complete newsletter as large attachments are often screened out by email security packages. We recommend that you use your home email address where you have more control over what you receive. Email members have the same rights and privileges as U.S. Mail members.
